Create an Experience this Holiday Season

"We provide the highest level of service and an incredible quality of food, sourced locally and sustainably whenever possible. We are stepping up the restaurant game in every way."
~Jason Brady

The Jason Brady Restaurant Group encompasses four distinct restaurant concepts — Wine Country, Parish Taceaux, Zocolo, and Southern Fork Catering.

Each concept has its own personality, dynamic, and flavor, but they all meet the same impressive standard of taste and execution — a standard set by Jason Brady, our locally grown, nationally renowned chef.
