We're back in print!

ANNUAL MANUAL THIS IS BOSSIER

We are thrilled to bring back this very popular publication in 2025-2026!

It seems like everyone is asking for a copy but we always run out quickly because of reader demand. This is the best introduction to hand anyone who wants to know more about all things Bossier, and we love to share what's special about our community. That's why we've partnered with Richard Creative to update and print a newer, glossy manual we can all be proud of.

Distribution

- 5,000 full color copies
- Offered to all incoming Barksdale airmen
- Available to all Bossier Chamber members
- Shared with Bossier conference attendees
- Displayed in Bossier Chamber Member Businesses - *until they run out!*
